

Visitors to Canada Plus travel insurance

The Canadian experience is meant to be enjoyed. But if an unexpected medical emergency should happen, know that you're protected with Visitors to Canada Plus travel insurance.

When visiting Canada, your country of origin's health care plans might not travel with you. We know that health care costs in Canada can be expensive if you're not covered under a Canadian government health insurance plan. So, be sure to carry travel insurance to safeguard your finances and enjoy a worry-free stay.

Ideal for:

- Visitors to Canada
- Super Visa applicants
- Work or student visa holders
- Landed immigrants and returning Canadians waiting for Government Health Insurance Plan coverage looking for emergency-only coverage

Features and benefits:

- \$50,000 to \$1,000,000 in emergency hospital and medical care
- Coverage for trips outside of Canada when the majority of the period of coverage is spent in Canada
- Allows the covered person to visit their country of origin and resume coverage when they return to Canada without having to reapply for a new policy (please note there is no coverage when the insured is in their country of origin)
